

EX FACTOR: 5 UNCONCIOUS SIGNALS THAT YOUR EX STILL WANTS YOU

#1 C **THEY CONTACT YOU**
If your ex goes to the effort of contacting you, it means that you are on their mind.

Not only that, but the thought of you motivated them enough to reach out.

#2 A **THEY SEEK YOUR APPROVAL**
If they tell you about something they're proud of, it shows that they are seeking your approval.

Even if they are bragging or acting competitive, it only shows that they still care about how you see them.

#3 P **THEY ASK PERSONAL QUESTIONS**
Asking personal questions about you shows that they still care enough to want to know about your life.

#4 E **THEY CAN BE EMOTIONAL**
Hot / cold behavior, and intense emotions show that your ex still has strong feelings for you.

They're torn emotionally and part of them is still in love with you.

#5 T **THEY PHYSICALLY TOUCH YOU**
People do not affectionately touch someone that they do not like. This is an unconscious behavior for people.

If your ex physically touches you, they still like you.
